

REFERENCE LIST

“PIN Konsalting Centar” is private company, with 50 employees, engaged in the execution of construction works of all kinds. We are engaged in the concrete works (drilling of piles Ø600 – Ø1200, construction and reconstruction of bridges, traffic, loops, overpasses, gaps and retaining walls) as well as in the earth works (various excavations, hydrant and drainage network etc.). For the mentioned items above, we have the appropriate equipment.

Data and pictures of the characteristic projects

Red. br.	Types of works	Investor	Date	Amount
1.	Civil works - drilling of piles Ø1000 – ring road Klatičevi – Gornji Milanovac	Mostogradnja inženjering d.o.o.	2022. -	150.000,00 eur
2.	Performing construction anti-erosion works on land slopes and arranging torrent watercourses – main gas pipeline (interconnector) – TT section 1	Millennium Team d.o.o.	2021.-2022.	5.500.000,00 eur
3.	Civil works - drilling of piles Ø600 – <i>Messer Tehnogas, Bor</i>	ZOP Inženjering d.o.o.	2021.	100.000,00 eur
4.	Civil works - reconstruction and adaptation, Termika Beograd	Termika Beograd a.d.	2021.-2022.	700.000,00 eur
5.	Civil works - drilling of piles Ø600 and excavation – <i>hotel Ramonda, Rtanj</i>	ZOP Inženjering d.o.o.	2020. -2021.	1.000.000,00 eur
6.	Revitalization and reconstruction of bridges – Ruma-Šabac highway km60+743	AD Srem put	2020.	400.000,00 eur
7.	Mechanical drilling of piles Ø600 and excavation, location: <i>Železara Smederevo, HBIS</i>	China Metallurgical Construction Engineering Group Serbia d.o.o.	2020.	1.200.000,00 eur
8.	Preparatory works – foundation pit <i>Železara Smederevo, HBIS</i>	Tianjin Oubaiwei doo	2019.	400.000,00 eur
9.	Revitalization and reconstruction of bridges – IB 21 Ruma-Irig, Ugrinovci,Nova Pazova	AD Srem put	2019.	600.000,00 eur
10.	Mechanical drilling of piles Ø1200, location: <i>Batajnica</i>	<i>China Railway International Co</i>	2019.	580.000,00 eur
11.	Building the foundation for buildings	TETO Pancevo	2019.	380.000.00 eur
12.	Bridge in Jakovo	Most-Construction E-763	2018.	380.000.00 eur
13.	Machine drilling of piles Ø1200 <i>Mateševo-Kolašin</i>	CCCC Tunnel Engineering Company ltd	2017. – 2018.	4.500.000,00 eura

14.	Reconstruction of the part of railway Resnik – Valjevo	MBA Ratko Mitrović Niskogradnja	2017.	1.000.000,00 eur
15.	Protection of water pipes on Highway E- 763	Italiana Costruzioni Spa ogranak Beograd	2017.	450.000,00 eura
16.	Performing works on the bridge over the Volujski potok	ŽGP GP Beograd	10.12.2016.- 15.05.2017.	300.000.00 eur
17.	Rehabilitation of the landslide in Mali Zvornik	MBA Ratko Mitrović Niskogradnja	2016. god	600.000.00 eur
18.	Hydrant network, rain drainage, sidewalks tunnel Bancarevo	Subttera ogranak Beograd	2015.-2016.	700.000.00 eur
19.	Excavation, installation and testing of atmospheric sewage on Highway V.Han - Vranje	Terna Gr.	2015.-2016.	800.000,00 eur

*Performing construction anti-erosion works on land slopes and arranging torrent watercourses
– main gas pipeline (interconnector) – TT section 1*

Civil works - drilling of piles Ø600 and excavation – hotel Ramonda, Rtanj
