2017 WORLD.MINDS Annual Symposium

Are you a **rookie scientist or artist driven by passion and curiosity**, seeking to develop an innovative and creative business idea?

Do you strive to **improve the quality of your decisions** and to inspire others to do so at the same time?

Would you like to **exchange your ideas with some of the most brilliant minds**, globally esteemed individuals who have made proven contributions in science, the arts and business?

Three times yes? Then you should definitely **apply to participate** at **WORLD.MINDS Belgrade!**

"There's nowhere in the world  
where you can find this  
mix of disciplines."

**Simone Schürle-Finke**  
Professor at ETH Zurich

The WORLD.MINDS Annual Symposium is a prestigious conference that takes place every December in Zurich, Switzerland. More than 400 world leaders in innovation, science, technology, economics, arts, medicine and other fields gather for this one day event.

This year, for the first time, it will be taking place in Belgrade on Thursday 23 May 2019 at the historic National Theatre.

"I laughed, I cried, I feared, I loved. A lifetime contained within a single day, a high for the mind and the spirit . The incredible content, the people, and – most of all – the great values that govern your taste in being and thinking.

One can sense the care and conviction with which you roam the world of the mind: it is most humbling. I felt at home.
